The South Bay City Commission unanimously voted Tuesday, October 17, 2017 to **waive permit fees** for those affected by Hurricane Irma.

Property owners who want to repair their residence due to the damage caused by Hurricane Irma should apply for a **"Building Permit"** in order to have your permit fee waived by January 17, 2018.

These building permits need to be completed and then submitted in person at South Bay City Hall Building Department 335 SW 2nd Avenue, South Bay, FL 33493 to ensure that the **storm-related** damages fees are waived.
