#### **4.11 Liability**

A Trustee shall not be personally liable for monetary damages to any person for any statement, vote decision, or failure to act regarding the management or policy of the Trust unless:

- (a) The Trustee breached or failed to perform his or her duties as a Trustee; and
- (b) The Trustee's breach of, or failure to perform, his or her duties constitutes:

- (i) a violation of the criminal law unless the Trustee had reasonable cause to believe such conduct was lawful or had no reasonable cause to believe such conduct was unlawful. A judgment or other final adjudication against a Trustee in any criminal proceeding for violation of the criminal law shall estop that Trustee from contesting the fact that such breach, or failure to perform, constitutes a violation of the criminal law but does not estop the Trustee from establishing that such Trustee had reasonable cause to believe that such conduct was lawful or had no reasonable cause to believe that such conduct was unlawful;

- (ii) a transaction from which the Trustee derived an improper personal benefit, either directly or indirectly; or

- (iii) recklessness or an act or omission that was committed in bad faith or with malicious purpose or in a manner exhibiting wanton and willful disregard of human rights, safety, or property.

For the purposes of this Section 4.11, the term "recklessness" means the acting or omission to act in conscious disregard of a risk: (a) known, or so obvious that it should have been known to the Trustee; and (b) known to the Trustee, or so obvious that it should have been known, to be so great as to make it highly probable that harm would follow from such action or omission.

#### **4.12 Indemnification**

(a) The Trust shall, to the extent permitted by law, indemnify any person who was or is a party (other than an action by, or in the right of, the Trust) by reason of the fact that such

person is or was a Trustee, officer, or direct employee of the Trust against liability incurred in connection with such proceedings on behalf of the Trust, including any approval of such proceedings, if such person acted in good faith and in a manner reasonably believed to be in, or not opposed to, the best interest of the Trust and, with respect to any criminal action or proceedings, had no reasonable cause to believe such conduct was unlawful. The termination of any proceedings by judgment, order, settlement, or conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner that he or she reasonably believed to be in, or not opposed to, the best interest of the Trust, or, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

(b) In case any claim shall be made or action brought against any person in respect of which indemnity may be sought against the Trust, such indemnified person shall promptly notify the Trust in writing setting forth the particulars of such claim or action. The indemnified person shall be entitled to select and retain counsel of his or her choice. The Trust shall be responsible for the payment or immediate reimbursement for all reasonable fees and expenses incurred in the defense of such claim or action.

#### **4.13 Legal Title to Investment Property**

Title to all Investment Property shall be vested in the Trust on behalf of the Participants who shall be the beneficial owners. The Board shall have full and complete power to cause legal title to any Investment Property to be held, on behalf of the Participants, by or in the name of any other entity or person as nominee, on such terms, in such manner, and with such powers as the Board may determine provided that the interests of the Trust are adequately protected as a consequence thereof.

#### **4.14 Reliance on Experts**

Each Trustee and officer of the Trust shall, in the performance of his or her duties, be fully and completely justified and protected with regard to any act or any failure to act resulting from reliance in good faith upon the books of account or other official records of the Trust, upon an opinion of Trust Counsel, or upon official reports made to the Trust by any of its officers or employees or by the Investment Advisor, Administrator, Custodian, accountants, appraisers, or other experts or consultants selected with reasonable care by the Board or officers of the Trust.

However, the Board is not required to personally conduct all of the routine business of the Trust and, consistent with their responsibility as stated herein, the Board may, on behalf of the Trust, appoint, employ, or contract with an Administrator and a Trust Counsel and may grant or delegate such authority to the Administrator, Trust Counsel, or to any other person as the Board may, in its discretion, deem to be necessary or desirable for the efficient management of the Trust.

The Administrator Agreement may authorize the Administrator to employ other persons to assist in the performance of the duties set forth therein.

(b) The Administrator shall at no time have custody of or physical control over any of the Investment Property. If a Participant in error delivers Investment Funds for investment to the Administrator instead of to the Custodian, the Administrator shall immediately transfer such

Investment Funds to the Custodian. The Administrator shall not be liable for any act or omission of the Custodian but shall be liable for the Administrator's acts and omissions as provided herein.

(b) Upon performing the valuation specified in Section 5.7(a) hereof, the Administrator shall calculate (rounding off to the nearest whole cent) the balance of each Participant and each balance of each of the Participants shall be adjusted proportionately so that the total balances of all the Participants equals the aggregate Investment Property Value for the Accounts.

(c) For purposes of calculating the Investment Property Value, the amount of any uncertain or contingent Investment Property Liability shall be deemed to be equal to the amount of the reserve, if any, against such Investment Property Liability that has been determined from time-to-time by the Administrator.

(b) assist in the organization of Meetings of the Board including preparation and distribution of the notices and agendas therefore;

2. Receipt of the notice described in (1) by the Administrator as set forth in the Information Statement.
3. If Investment Funds for which notification of investment has been given are not received by the end of the business day on which such notification is given, the Administrator shall deduct the value of such Investment Funds from the Participant's balance if previously credited.
4. The Participant is prohibited from requesting payments from amounts credited to its balance pursuant to (2) or (3) above until such Investment Funds are received by the Custodian for the purchase of securities to be held by the Custodian.

## EXHIBIT C

### VALUATION PROCEDURES

#### I. Portfolio Valuation:

##### ~~A. — Amortized Cost Valuation~~

~~At least daily, the Investment Property Value shall be determined on a mark to market basis as follows:~~

~~The Administrator shall determine the market value of the specific investment holdings for the ELCLASS portfolio. The market values shall be obtained from one or more sources that the Administrator believes to be reliable for providing such information. A credible pricing source will be used by the Administrator to price the underlying securities on a daily basis.~~

~~On a daily basis, normally at 3:00 p.m. ET~~ Alternatively, the Investment Property Value of each Account ~~shall~~ may be determined using the amortized cost valuation method. The amortized cost valuation method involves initially valuing a security at its cost and thereafter accreting to maturity any discount or amortizing to maturity any premium, regardless of the impact of fluctuating interest rates on the market value of the instrument.

##### ~~B. — Mark-to-Market~~

~~At least monthly, or more frequently if requested by a majority of the Board, the Investment Property Value of each Account shall be determined on a mark-to-market basis provided, however, the value of any collateral that is collateralizing any repurchase agreement shall be marked to market on a daily basis.~~

~~The market value of all or a part of the securities in the Accounts will be determined from the bid and ask prices for such securities as quoted by an independent nationally recognized pricing service for the business day preceding the business day on which the determination of such market value is made (plus accrued interest to such preceding business day). If the securities are not so quoted on such preceding business day, their market value will be determined as of the next preceding business day on which they were so quoted. Securities not quoted by an independent nationally recognized pricing service will be valued by taking a bid quote from one primary dealer making a market in such securities or if there is no primary dealer in such securities by such other reasonable method as the Administrator shall determine.~~

~~As an alternative to determining the market value pursuant to the foregoing paragraph, the market value of all or a portion of the securities in the Accounts may be determined using the matrix method. Matrix pricing involves grouping securities into a matrix by type, maturity, and short term credit rating. A primary dealer who makes markets in those securities will provide the bid side prices for the matrix.~~

2. Amendment.

These Valuation Procedures may be amended from time to time pursuant to Section 10.1(d) of this Interlocal Agreement.

**EXHIBIT D**

Dear Generous Donors,

We are pleased to invite you to be one of the Sponsor/Donor for our fairly new youth football program and cheer program with this proposed letter. The South Bay Youth Football program was started within Kings Tutoring & Mentoring Foundation Inc which now renamed to KTM Youth and Community Network Inc. which is a nonprofit 501c3 program serving South bay and surrounding Glades Tri Cities.

KTM was established in 2015 providing services to at-risk youth, families in need and senior citizen throughout the Glades communities. KTM/South Bay Jaguars football & cheer have several dedicated volunteers within the community who are retired professional educators from Palm Beach County Schools, former South Bay youth football coaches & former players who dedicated their time to invest in our youth.

The coaches and volunteers all are or will be USA Football, YCAD Cheerleading & FYFL Coaches certified and has been and will be cleared with state & nationwide background screen and some will have one performed. Our youth football program will be in its 3<sup>rd</sup> year, we have impacted over 45+ families & 80+ youth through our efforts and want to continue and help even more youth by continuing to provide a positive outlet for the youth through competitive sports, teamwork & safety.

We are part of the FYFL a good structure league that is big on Scholastics. Because of our limited resources as a new program as well as a program without a home football field to host home games for fundraising, we are very limited and need supporter to assist us.

Therefore, we are reaching out to our local businesses, Community, City Government and other donors for your help supporting this program for our youth & Families. We are hopeful of donors and supporters like you to help us. Together we will provide a positive impact in over 100+ youth lives and families in the Glades community. We thank you in advance for all efforts and considerations with our request

Yours sincerely,

*Barbara King*

Mr. Terry Burroughs, Chairman  
Florida's Heartland Economic Region of Opportunity, Inc.  
304 NW 2nd Street  
Room 123  
Okeechobee, Florida

Dear Mr. Burroughs:

As the Chairman of the Board of County Commissioners/Mayor for XXXXX County/City, I am submitting this letter of support for the Florida Heartland Economic Region of Opportunity, Inc. (FHERO) re-designation of the South Central region composed of Desoto, Glades, Hardee, Hendry, Highlands, and Okeechobee Counties, the cities of Pahokee, Belle Glade and South Bay in Palm Beach County and the area around Immokalee included within the Round II Federal Rural Enterprise Community located in northeast Collier County as a rural area of Opportunity (RAO).

Governor Scott signed Executive Order 16-150 which re-designated the area for a five-year term in June of 2016. The term expires in June 2021. Florida's legislature recognizes rural communities to face extraordinary challenges in their efforts to significantly improve their economies, and as such, Section 288.0656, Florida Statutes (F.S.) established the Rural Economic Development Initiative (REDI) with DEO and authorizes the participation of State and regional organizations in this initiative.

Section 288.0656 (7)(a), F.S. provides for the designation of up to three RAOs. RAOs are comprised of rural communities that have been adversely affected by extraordinary economic events, severe or chronic distress, a natural disaster, or an event that presents a unique economic development opportunity of regional impact.

FHERO provides economic development support and collaboration throughout the south-central region through marketing, facilitation, and advocacy in rural South-Central Florida. The regional collaboration builds capacity by linking and uniting leadership networks. Over the last few years, the Counties in the FHERO region have seen the benefit of collaboration and leveraging each other's resources to gain strength individually, as well as regionally.

The Counties, as well as other regional partners, value the ability to have discussions and resolve issues with partners that not only understand, but share the same challenges, goals, and aspirations.

We appreciate the FHERO Board of Directors' and staff's proactive approach to regional collaboration.

Sincerely,

Name
