

Dear South Bay Residents,

Happy New Year! We hope this email finds you well. As part of our ongoing efforts to enhance the quality of life in our community, the City of South Bay is conducting a comprehensive community survey. Your input is needed to help shape the future of our city.

We invite you to participate in the survey by clicking on the following link:

<https://www.surveymonkey.com/r/CityofSouthBay>

To provide you with more information about the survey, we have attached a flyer with more information as well as a QR Code that can be used to access the survey from your phone or tablet. Your opinions matter, and your feedback will help us make better decisions that reflect the needs and preferences of all our residents.

Additionally, we encourage you to share this survey with your friends and neighbors within South Bay. The more voices we have, the better we can understand the different perspectives within our community. Simply forward this email, share the survey link, or flyer with others, so we can all work towards a better South Bay.

Your participation is crucial, and we appreciate your time and contribution to this important initiative.

Thank you for being an active and engaged member of the City of South Bay community.
