

CITY OF SOUTH BAY CELEBRATES FLORIDA CITY GOVERNMENT WEEK: OCTOBER 17-23, 2022

The City of South Bay will be joining cities throughout the state in celebrating Florida City Government Week, October 17-23, 2022.

Because city government is the government closest to most citizens and the one with the most direct daily impact upon its residents, it is important that residents understand how their city operates, the services it provides and the importance of their active involvement. The theme "My City: I'm Part of It, I'm Proud of It" will guide this year's activities.

"Florida City Government Week is an opportunity to help our residents become more informed about the many services we provide, which will lead to more knowledgeable citizen participation in the future," said Mayor Joe Kyles and City Manager Leondrae Camel. "We are excited about this year's activities and hope to engage [students, all residents, senior citizens] in our upcoming events."
