Message from the Mayor

In order for the City of South Bay to move forward, we have to take risks at time to accomplish the goals we as commissioners & staff have for the city resident, business owner and more. (Risks) Is you have to be willing to take risks, in order to make progress. It is important not to take on unnecessary risks, and to measure the risk with the reward. Taking a risk is being able to go after something you know you want, knowing you'll be good at and not being afraid to take the risks, but also being smart about the risk versus the reward. ***“By working today to build a better tomorrow.”***

Welcome to SOUTH BAY

The City of South Bay has a close-knit family atmosphere that allows you to be doing laundry at “South Bay Laundromat” which is literally 10 feet across the street from “Dollar General”. No worries, while fulfilling chores you can also have everything near to make it for a great day.

WORDS FROM THE COMMISSION

When you the South Bay Citizens speak, we listen and take action.

Commissioner John Wilson

Shop With The Pastor

To Whom It May Concern:

I am writing this letter because I first would like to thank you for your donations to Mount Calvary First Baptist Church Shop with the Pastor or encourage you to donate to Mount Calvary First Baptist Church Shop with the Pastor Program. We are hoping with the total amount of donations this year to help at least 10 families in the South Bay community.

The Shop with the Pastor Program provides \$100 to each family selected. A child from each family is taken shopping to purchase Christmas gifts for their family and/or themselves. All of the presents are then brought back to the church and wrapped then will be delivered back to each child after.

We are asking you to please donate to this great cause. We will be taking the kids shopping on the 22nd of December. Please give your donations in cash, check, and/or money orders. Please send all checks and money orders to 108 SW 10th Ave., South Bay, FL 33493.

Cod Bless,
