Message from the Mayor

“2023 EQUALIZE”

As we go into the year 2023, I look at all of you and think about what lies ahead and what we can do together. I am looking ahead to a city of safe streets and strong schools for every child. A city where people want to grow old and live more abundantly. A city that is affordable for families and seniors. A city of hope, opportunity, and prosperity for us all. A city that holds equity and inclusion as our guiding principles. We will continue to build this great city....and leave it better, stronger, fairer, and more prosperous than we found it. By changing social attitudes, old traditional thinking and creating new city environment that promotes equal access for everyone. *“We are a Proud City with a Proud History” #CityofSouthBayProud*
