

City of South Bay Urges Residents to Prepare for Hurricane Dorian

City of South Bay Emergency Operations Officials encourage everyone to prepare now for Hurricane Dorian. Do not wait. Do not be complacent. Although South Bay is not in the hurricane cone we urge everyone to remain

South Bay Emergency Officials are working closely with Palm Beach County Emergency Management in preparation for Hurricane Dorian. The Herbert Hoover Dike and Lake Okeechobee remains a Code Green (ALL CLEAR)!

We are monitoring the storm track carefully, and making preparations to ensure the health, safety, and welfare of the community. Updates and changes will be posted on South Bay's social media pages, southbaycity.com, and shared through local media. As a reminder, City offices were already scheduled to be closed in observance of Labor Day on September 2, 2019. City services will continue once the ALL CLEAR has been given by Palm Beach County Emergency Operations Officials.

While the storm is getting closer and its path is uncertain, we are taking every action we can to prepare the City and keep our residents safe.

WASTE COLLECTION DISCONTINUED UNTIL FURTHER NOTICE AND THE WASTE YARD IS CLOSED.

We urge all residents to **PULL THEIR WASTE CONTAINERS FROM THE CURBSIDE:**

DO NOT do any major yard work until after the storm passes.
